"For instance?"

"HOME COMING WEEK."

Louisville Commercial Club Wants to Invite All Former Kentuckians to Visit the State Next Spring.

Did you know that the last Census shows that there are over six hundred thousand Kentuckians living in other States?
Well, it's a fact!
How many of these former Kentuckians do you know?
The Commercial Club of Louisville wants the names of as many of these as it is possible to get. It desires to extend invitations to every Kentuckian who has moved away to come back next Spring and attend the "Home Coming Week" festivities at Louisville.
Plans are rapidly maturing for this great event. The Commercial Club hopes to make it a red letter week on Kentucky's historical calendar. There will be "something doing" seven days and nights and then the crowd will disperse and go to different parts of the State to remain as long as the low railroad rates are in effect, as the arrangements made with the railroads will include a low rate to all points of Kentucky for "Home Coming Week" in Louisville.
If you have any friends or relatives who have moved to other States, please send the names and addresses at once to the Commercial Club, Louisville, Kentucky.
